Career Objective

Motivated B.Tech Computer Science student with hands-on experience in Data Science, Machine Learning, Deep Learning, and Artificial Intelligence. Skilled in Python, Java, C++, Flask, SQL, and DSA, with a passion for building AI-powered applications and solving real-world problems. Seeking internship opportunities to apply my technical skills while continuously learning and growing as a software professional.

Experience

Data Science, Machine Learning & AI Trainee June 2026 – July 2026

Upflairs Technologies

- Completed professional training in Data Science, Machine Learning, and Artificial Intelligence with hands-on learning in Python, NumPy, Pandas, Flask, Machine Learning, and Deep Learning.
- Built machine learning models, performed data preprocessing, and developed Flask-based applications through practical projects.

Education

JECRC, Jaipur, B.Tech in CSE Sept 2024 – May 2028

- GPA: 8.14/10

Ascent International Sr. Sec. School, Udaipur, XII RBSE April 2022

- Percentage: 88.60%

Udaipur Public Senior Secondary School, Mavli, X RBSE March 2020

- Percentage: 92.17%

Technologies

Languages: C++, Python, Java

Tools Used: VS Code, Dev C++, IntelliJ IDEA, Git

Technologies: HTML, CSS, SQL, Flask, NumPy, Pandas, Scikit-learn, Machine Learning, Deep Learning

Projects

Farmer Guider AI App

- Developed a responsive Farmer Guider AI application using Python, HTML, CSS, Flask, and Scikit-learn.
- Applied data preprocessing and machine learning techniques to recommend suitable crops based on user inputs.
- Built a user-friendly interface to collect farmer data and provide personalized farming recommendations.

AI Chatbot with Conversation History (In Progress)

- Developing an AI-powered chatbot using Python, Flask, and Ollama/OpenAI.
- Implementing conversation history to provide context-aware and personalized responses.
- Building a responsive web interface for real-time user interaction and efficient query handling.

Certifications

- Verbal Mention – JECRC MUN
- 2× MUN Participation Certificates
- Participation in IEEE Day
- 15× Infosys Springboard Certifications
- 3× Hackathon Participation Certificates
